

HundrED Advisory

The HundrED Advisory Board consists of all stakeholders in education. Their expertise and experience are essential to help inform the selection of innovations in our Spotlight projects.

hundrED

HundrED improves education through impactful innovations. We believe the purpose of education is to help every child flourish in life, no matter what happens.

ABOUT THE HUNDRED COMMUNITY

The HundrED community is a movement of educators from around the world. We believe change only comes from like-minded people working together towards a common goal. That's why we're continuing to build a global community of education innovators and passionate education stakeholders to collaborate and learn from each other to improve education in every corner of the world. The HundrED community comprises innovators, ambassadors, youth ambassadors and our academy from over 90 countries and growing.

INTRODUCING HUNDRED ADVISORY

The HundrED Advisory, just like our Academy, consists of all stakeholders in education, from educators to students, innovators to experts from a wide variety of countries. Our members make up an eclectic mix spanning the breadth of education and related fields, sharing their knowledge and experience, as well as passion and drive for inspiring innovations in education. Their expertise and insights drive our selection of the thematic and/or regional Spotlight Collections. As part of the Advisory, you will receive:

- **An insider look at the leading innovations in education:** An exclusive look at the leading education innovations that are improving education worldwide.
- **Exclusive invitation:** Attend our invitation-only flagship event, the HundrED Innovation Summit in Helsinki, Finland. An exciting opportunity to present and connect with innovators and experts around the world. Last year we hosted 50+ innovators from 27 different countries.
- **Excellent professional development experience:** Gain a better understanding of leading education innovations globally.

WHAT YOU WILL BE DOING

The HundrED Advisory is an exclusive community of experts in education with a passion for innovation and driving change. Each member is selected based on their experience and expertise on the theme and/or region of the Spotlight. The reviews made by our HundrED Advisory are shared with the partner organisation and help with the final selection process. While this is a voluntary position, members of the HundrED Advisory have exclusive access to the leading innovations in education as well as additional perks offered by HundrED.

- **Review shortlisted innovations for our HundrED Global research:** Vote & share feedback on the innovations using our simple tool.
- **Provide valuable insight:** You are also invited to share your expertise with our global community by contributing an article on the HundrED platform.
- **An invitation to take part in the HundrED Academy for our Global Collection annually:** This is provided you successfully completed each review period.
- **Connect with new innovations from around the world:** Learn about and connect with the latest innovations happening in education.

WHO YOU ARE

The HundrED Advisory consists of all stakeholders in education, from educators to students, innovators & in-field experts with a certain level of expertise in the theme and/or region of the Spotlight. Their perspectives and insights help to inform our selection of the 5-20 leading innovations selected for the Spotlight.

- Demonstrate a level of experience on the theme and/or region of the Spotlight.
- Passionate about innovation in education.
- Aptitude for research and commitment to understanding the innovations.
- Possess a strong track record and a reliable network within the education sector.
- Fluently read, write, and communicate in English.

WHAT TO EXPECT

Being part of the HundrED Advisory requires time, however, the experience has proven to be extremely rewarding and insightful for many.

- Over the course of 2 weeks, you will be asked to dedicate 5-8 hours to review 25-30 innovations shortlisted by the HundrED research team and the partner organization.
- This is an excellent professional development opportunity where you gain a better understanding of leading education innovations globally.

Application process and next steps

Spotlights occur periodically throughout the year, if you are interested in being part of a HundrED Advisory for a specific theme and/or region, you can register your interest with Katija at katija.aladin@hundred.org.

Once the review process is complete you will receive a signed certification signifying your membership to the HundrED Advisory. You will also be recognized both in the final Spotlight Report and on our Website. This experience can also be added to your CV, LinkedIn profile, and email signature.

Additionally, you will receive an exclusive invitation to the HundrED Innovation Summit held in November where you'll have the chance to interact and hear from the selected innovators, funders and partners in the HundrED Community.
