Week 15

*Developing Content (extended blogging practice)*

*(Show Must Go On!)*

- ICT Teacher checks if students have finished posting all previous blog posts and comments, and assists them in relation to any technical issues they may have.
- EFL Teacher checks if students have received the corrected versions of the texts for their 10th blog posts.
- ICT Teacher provides technical assistance to the students while posting the texts for their 10th blog posts.
- Students are encouraged to continue blogging even during the summer holidays, and be independent in developing contents for their blogs.

*Social Networks*

*(Promoting contents online)*

- Students are encouraged to share their blogs on all social networks where they have accounts in order to gain more followers; they are reminded to use hashtags effectively in order to reach a wider audience; they are advised to practice their presentation skills and make their own videos, promote them on YouTube, etc.
